I have also attached a copy of Irene's death certificate. Her funeral was on 8th Dec 2009. Myra and I scattered her ashes in Kings Park, near the war memorial under an oak tree on Anzac Day 25th April 2010. That was her request as Ted's ashes are up there. My father's ashes were scattered on a beach at Garden Island in 1978 so she was near Ted and overlooking the water where Taffy's are.
